

SKYBERRIES AWARD

FOR INNOVATION IN FOOD SECURITY
URBAN AGRICULTURE AND VERTICAL FARMING

Awarded to:

"GREENfutureSCHOOLS"

Anna Vaskova | Soledad Penaranda Moren | Azra Korjenic

For their outstanding work which promotes the installation of greening systems as part of the daily education for children in Austrian schools. We commend this project for its potential of training the future generations into creating a sustainable, green and energy efficient urban living environment.
